NOTES FROM THE GENERAL MANAGER

by Bob Russell

Our golf course is now in excellent condition to begin our summer season. Our thanks go out to Paul Watts and his fine crew for their extra hard work getting the course into top shape. All of the spring projects have been completed and later in the early fall, they will be working on the improvements to the back nine.

Our Board of Directors has been working on possible future projects that will enhance our clubhouse. These would include a total remodel of the swimming pool restrooms, an upgrade and remodel of the main dining room, and consideration of an elevator to the upstairs Ponderosa Room.

After a number of discussions with both the Ebbetts Pass Fire District and many of our members who are retired, we are purchasing two AED heart defibrillators. As soon as our staff has taken the training courses, these will be installed in both the clubhouse and golf shop. For those of you who have been away, welcome back to another great summer here at your

FROM THE BAR SIDE

I've been employed here at Sequoia Woods in one capacity or another for what will be in October, nineteen years. Those of you who have been members here for any length of time know how much the course and clubhouse have been improved. The guy whose column on the left and our grounds keeper Paul Watts are responsible for the major improvements we've seen. Fine job, gentlemen!

Our snow packs for the last few years have been less than average, hence the shrinking of reservoirs and the drying up of ground water. This year the snow pack is well above average. The skiing was great and we're having plenty of snow melt. Smile on us, Mother Nature, smile.

We'll have live bands (see below) and DJ music on the in-between Saturdays.

Barney the bartender invented a cocktail exclusively for use at conventions. He calls it "The Delegate." Drink two of them and you're speaking from the floor.

THE SEQUOIANS

by *Mary Peterson, Captain*

What did we do to so upset Mother Nature? We did not have a Charm Girl for April because we had snow every Tuesday in April. We finally got to play twice in May, and we hope for a third play day on May 25th at Stockton Golf and Country Club, weather permitting. Our Charm Girl for May was Barbara Kreps. Congratulations, Barbara!

Our first team play was at Merced, and we have no place to go but up. This was the same way we started out last year, and we finished up the year first in our division. Thank you, ladies, for making the long trip to Merced.

Fiesta Ole' was a huge success thanks to all the work done by Kathy O'Brien and Sandra Hirst. Also, many thanks to Larry and Bob for doing the pairings for us. Bob Russell and his staff did an outstanding job with our Mexican Buffet.

The golf course is in great shape and the new bunkers on 6 and 7 and the new tee box on 8 have really improved our beautiful golf course. Paul Watts and his crew should be congratulated!

WOMEN'S 18-HOLE GOLF CLUB NEWS

by Kay Abernethy, Captain

June is shaping up to be a busy month. We start off with a play day, brunch, and a meeting scheduled for Saturday, June 5th. Brunch begins at 9:00 followed by a general meeting and golf. You must sign up in advance for brunch and golf. Debi Lamb, Social Chair, is taking reservations for brunch by e-mail or sign-up sheet. Mary Shepperd, Tournament Chair, has posted a sign-up sheet for golf and brunch on the bulletin board near the Golf Shop. On weekend play days, you may form your own foursome or sign-up as a single and Mary will pair you with someone.

Our Invitational is June 16th. Judy Otis, Decorations Chair, and her committee have performed miracles with pipe cleaners, fuzzy balls, bows, ribbons, et cetera, to make the theme of "A Picnic In The Woods" come alive. We are looking forward to an exciting and fun filled day. This event replenishes our scholarship fund each year. So, invite your guest, collect their entry fees, and send your entry to Georgia Loveless, Invitational Chair.

Other events during June include Men vs. Women being hosted by the Men's Club on Thursday, June 24th, and on Wednesday, June 30th, we host the Sequoians.

Sam Ware, Open Day Chair, has been keeping us posted on the Open Day events being held at other clubs in Northern California. The Open Days afford us, as members of WGANC, the opportunity to play the best private golf courses in Northern California with no green fees. Let's take advantage of this wonderful opportunity or it may go away.

Carrol Covey, Team Play Chair, has posted the dates for team play and lined up players to participate in each event. The members of the league this year are Mountain Springs, Saddle Creek, Forest Meadows, Phoenix Lake, and, of course, Sequoia Woods. Good luck to all!

Phyllis Diller once said that the reason the Golf Pro tells you to keep your head down is so you can't see
